HOW TO : felt carrots

YOU’LL NEED
orange and green felt, needle & thread
filler (to stuff), sewing machine and carrot template

1. cut out felt from template
   use orange thread to stitch straight lines across orange felt

2. fold orange piece in half and stitch

3. turn carrot inside out and stuff carrot
   then handstitch around the top of the carrot

4. pull thread tight, closing the top of the carrot
   and knot do not cut off thread yet...

5. cut leaves from green felt and attach
   using the needle and thread
